

SUGGESTIONS FOR FURTHER READING

The following is not meant to be an exhaustive bibliography, but suggestions for further reading for persons interested in the subject. Most of the items that are not in print can be borrowed through Inter-Library Loan from an academic library. The books and articles listed below are each listed only once, although they may contain material that would be helpful further reading for several different chapters.

General - References containing a review of the entire scope of the history of the United Church of Christ and its antecedents.
